MONTHLY NEWSLETTER - GEORGIA REGIONAL MUSTANG CLUB

Notes from the VP (Gail)...

In only three weeks, on April 26th is the Track Day at Talladega that our club hosts. It is only about a 2 hour drive from the Atlanta area to Anniston, Alabama.

I was reluctant to go last year, but decided to see what it was all about. It was so much fun!! I discovered I love the thrill of riding in a fast Mustang! I had my first ride going 100 + miles an hour, over the track with an experienced driver. I was hooked on the rush of the power and speed of the car. I can hardly wait to feel all that again this year!

I also learned how the event is organized and the different jobs the club members do to keep it running smoothly. It takes a lot of volunteers to stand in the corners and flag the drivers, time the laps, help set up lunch, work the gate taking registrations and of course clean up after all the fun is over. Club members get to drive half of the day and work half of the day. Participants come from long distances to enjoy this event!

If you are a beginner and want to drive your car, there are experienced club members who will explain the course and rules in a driver's meeting. They will also take you as a passenger in their cars and ride with you while you drive the course. Last year we had new club member who finally bought her first Mustang and drove her car in the beginner's class. She had a great time. This is fun for everyone.

The lunch is free and because Rick and Leah Conquest are providing the food, it will be delicious !! (Kelley Restoration is Sponsoring Lunch—Thanks!)

There are a limited number of drivers allowed, so hurry and sign up. All makes

Our O' Mighty Leader

The Georgia Regional Mustang Club is a non-profit volunteer group of people dedicated to the restoration and preservation of the FORD MUSTANG. GRMC is the second oldest Chartered Mustang Club in the nation with the founding in 1979.

GRMC is dedicated to fun and informative activities for fans of all Mustangs. Whether your car is a classic show car, a performance car, or a daily driver, GRMC has a place for you. In 1964, Ford Motor Company called it's new car: "Mustang, the car designed to be designed by you". Our club strives to be the same, to do things you want to do and to present informative clinics to help you restore, detail, and tune your "Pony".
